### Donations

Becoming a donor is a different category than becoming a member. A donor may choose to make a one-time (or more) donation without becoming a member or volunteer. Should you choose that route, please complete the Donation Box information on the Membership and/or Donation Form, write and attach your check to the form, and mail to the address indicated. However, you may choose to become a Friends member (indicate which option) AND make a donation (indicate amount). Friends is thankful for whichever way you choose to support our organization.
