Discover & Go offers free BART tickets to select venues from July through October.

The Contra Costa County Library is once again offering free BART tickets for use with Discover & Go reservations from July through October. County residents who are 18 or older can submit a request for BART tickets by clicking on the banner ad on their Discover & Go pass starting July 1st.

To sign-up for BART tickets, view your July - October reservation on your Discover & Go account:

- 1) Click the "Print/Download" button
- 2) Click on the 511 banner on your Discover & Go pass to request your BART tickets. The banner will look like this:

BART tickets will be mailed to cardholders' homes approximately five business days prior to their museum visit. The offer is limited to one request per household (for up to two \$15 BART tickets) and is available while supplies last. This promotion is a partnership between 511 Contra Costa and the Library, and is intended to encourage the use of public transportation to visit museums.

"Discover & Go is a great way to experience cultural learning all over the Bay Area and have fun," said County Librarian Melinda Cervantes. "This partnership with 511 Contra Costa is making getting there a bit easier."

Since its inception in 2011, Discover & Go has met Contra Costa County Library's goal of providing access to culture inside and outside the library by partnering with over 90 northern California cultural destinations, and making over 1,000,000 visits possible for library cardholders.

511 Contra Costa is a comprehensive Transportation Demand Management (TDM) program that promotes transportation alternatives to the single occupant vehicle and encourages "green commutes". For more information, visit 511contracosta.org.
