Pinole Library celebrates new schedule with 11 additional hours

Beginning July 2, the Pinole Library will open an additional 11 hours a week. The new schedule will include five days of consecutive library service and open hours on Tuesdays and Thursdays, which were previously closed days. The additional hours are funded through a partnership between the Contra Costa County Library and the City of Pinole.

The Pinole City Council said, “The City of Pinole is committed to providing as many services as possible to members of our community. We look forward to seeing where this partnership can lead.”

“The library is an important resource for families in Pinole,” said Contra Costa County Board Chair John Gioia. “More hours means more access to programs and services that benefit everyone in the community.”

The change in library hours aligns with the Library’s Strategic Plan which calls for easy and equitable access for all, a consistent, high-quality and inviting experience and optimal library hours at the community level.
