

CONTRA COSTA COUNTY LIBRARY

ANNUAL REPORT

2024

2024 was a year of remarkable achievements for the Library. We launched Self-Service Sundays at the Concord Library, allowing the public to access the branch on Sundays when it would normally be closed.

The Rolling Reader celebrated its first full year of service, bringing books, storytimes, and hands-on learning to underserved communities across the county. Exceeding all expectations, the team connected with 13,050 people, distributed 7,136 books, issued 175 new library cards, and traveled 6,285 miles to foster early literacy, fine motor skills, and STEM education.

June marked the 40th anniversary of *Project Second Chance (PSC)*, the Library's adult literacy program. Over four decades, PSC has empowered more than 6,500 adults with the support of over 4,000 trained volunteer tutors. Participants have not only improved their reading skills, but also achieved life-changing milestones, such as earning a driver's license, passing the U.S. citizenship test, and reading to their grandchildren.

Looking ahead, we are setting an ambitious goal: to put a library card in the hands of every third grader in the county. We know that access to books, reading, and literacy lays the foundation for lifelong success, and we are eager to take on this challenge in 2025.

MISSION: Bringing People and Ideas Together

VISION: The Contra Costa County Library is the pulse of the community. Working together, we spark imagination, fuel potential, and connect people with ideas and each other.
